

Aspiring Django Developer with a passion for web development and a solid understanding of Python and Django framework. Seeking an opportunity to leverage my skills and knowledge gained from my previous experience.

Experience-Internship:

Venzo technologies:

Jun 2023 – Nov 2023

Developed real-world application projects using the Django framework and have developed and integrated RESTful APIs for web applications. Proactively researched and learned new technologies and best practices to enhance my development skills and stay current.

Projects:

- ❖ **Enterprise Resource Planning:** I worked on ERP software during my internship, and My responsibilities included developing and maintaining codes and optimizing the CSS and JavaScript features to enhance the ERP project.
- ❖ **Chat application:** Created a real-time chat application using Django Channels and WebSockets, enabling users to communicate instantly. Implemented user authentication and authorization to ensure privacy and security.
- ❖ **E-commerce store:** Developed an online e-commerce store using Django and Django Rest Framework, allowing users to register, log in, and buy products from different categories. Utilised HTML, CSS, and JavaScript to create responsive and user-friendly interfaces.

Education:

- ❖ **KCG College of Technology:** *Jul 2018 – Jul 2022*
B.E mechanical engineering, cgpa - 7.8
- ❖ **Kendriya Vidyalaya Minambakkam:** *Apr 2017 – Apr 2018*
Higher Secondary, percentage - 78%
- ❖ **Kendriya Vidyalaya Minambakkam:** *Apr 2015 – Apr 2016*
High School, cgpa - 8.2

Technical skills:

- ❖ **Languages:** Python, HTML, CSS, JavaScript.
- ❖ **Framework:** Django, Django Rest Framework, Flask, Bootstrap.
- ❖ **Database:** PostgreSQL, MySQL, MongoDB.
- ❖ **Others:** Deployment, and Version Control(GIT).

Certifications:

- ❖ Django backend internship - Venzo technologies.
- ❖ The complete Python bootcamp - Udemy.

Others:

I have also worked on an automobile website dedicated to automobile enthusiasts for 6-8 months, showcasing automobile reviews, industry news and updates, and expert insights, from which I had an opportunity to learn content writing, SEO, and hosting a site online. Link to the site autocalipers.com.
